We are also going to try put together a Wisconsin YMCA Top 16 list. You must send all meet info and back-up after to meet to webmaster to have your meets considered for Top 16. Lynn Stickels is going to take this on. Thanks Lynn!

3. Y State Meet

Everyone commented that the meet ran well. Dave Anderson said everything went well from the facility end. Good job by the officials. Thank you to all of our volunteer officials.

4. YMCA Scholarship

- \$1500 from our fund financed these scholarships.

Will again have a 2010 Scholarship. Jay will get the application available on our web site very soon. Seniors in high school may submit application and essays from Feb 1 – March 1. We will again present these scholarships at the Y State meet on Sunday

5. Old Business

- Do we want to continue with T-shirts for Y National swimmers and present them at the Y State meet.

We will again give out shirts. We will also get a shirt to this past summer's LC Nat swimmers and also recognize those swimmers qualified and planning to swim 2010 LC Nats. A list of all swimmers and their t-shirt size must be to Dave Korst by March 1, 2010. We will again recognize all of these swimmers during the final session break on Sunday of Y State

- Account/Balance \$4778
- Handbook

Lynn Stickels will work to get this updated based on our current YMCA State Meet rules and guidelines. All other YMCA rules and guidelines are on our website as well as the National YMCA Swimming & Diving Website

- Y Officials/USA crossover

Our YMCA Officials trainers are still working with Wisconsin USA Swimming to create a YMCA/USA joint Officials training. Currently you must take a Wisconsin Swimming/USA Officials training to get a USA Officiating Certification. All YMCA's that are planning to run officials trainings should make sure that dates, time and contact info get out to all of our YMCA teams. Both our Level 1 and USA Stroke/Turn are similar trainings as well as our Level 2 with USA Starter/Referee. But still are different certifications.

- Principles Class or classes/I must renew my Y Lifeguarding

I am in the process of recertifying my YMCA Lifeguarding. I will plan to run a Principles class on Sunday AM, January 31, at the DT YMCA in Green Bay. Please put this date on your calendars for any of your staff that need this training. You must have this certification to coach on deck at any and all YMCA Sanctioned Meets. (Y State Senior, Y State, Y Nationals, or a Y Sectional type meet if it is sanctioned by the National YMCA).

6. New Business

- Swim suit rule is in effect as of Oct 1
- Update on UPY situation

The Houghton and Marquette Aquatic Team have combined with the YMCA of Marquette County. The Waves YMCA team of Iron Mountain have combined with the YMCA of Delta County to form the Delta-Dickenson YMCA Swim Team. Ironwood, MI is in contact with the Rhinelander Y and may become a Y Team through there. They have not registered a team yet.

Next meeting – We will not meet in the Spring. If any situations come up we will have to take care of it through e-mail. Please contact me if you need additional e-mails added to our list. Also contact me to remove any.
